

# Preach My Gospel

What Should I Study and Teach?

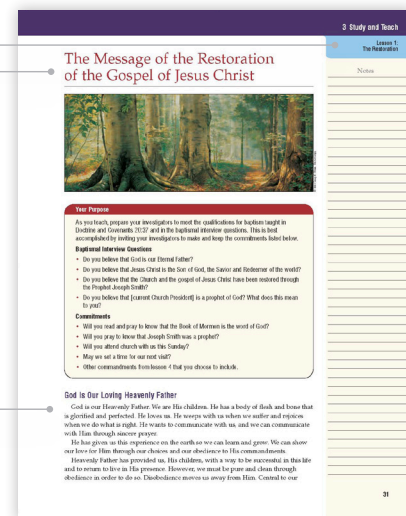

The purpose of this activity is to help you learn the doctrine that you will teach as a missionary.

## 1 Learn the Doctrine

To prepare for your MTC experience, learn the doctrine as found in the scriptures and chapter three of *Preach My Gospel*. There are five lessons in chapter three.

*The first lesson is on page 31, titled, “The Message of the Restoration of Gospel of Jesus Christ.”*

*Each lesson is divided into principles. The first principle is “God Is Our Loving Heavenly Father.”*

Read all the text and study the scriptures listed under “God is Our Loving Heavenly Father.” After you study, ask yourself:

- Do I believe this doctrine? Why?
- How has this doctrine blessed my life?

## 2 Share the Doctrine with a Family Member or Friend

- Explain the doctrine using your own words.
- Share a scripture that you liked from the blue “Scripture Study” box.
- Bear your testimony; share how you feel about this doctrine and why it is important to you.
- Ask the person what he or she understood about the doctrine. Find out if anything was unclear.
- You might teach this principle again to the same person or someone new.
- Now continue this process for the rest of the principles in lesson one and for the remaining lessons in chapter three.

## Lesson Principles Checklist

- Check each box when you have finished studying and explaining the doctrine for that principle.
- Do as much as you can before entering the MTC.
- Share what you have learned from this experience with your priesthood leaders.
