Briefly describe the *System*.	
List the system *Parts*.	

Is the *Initial State* ordered or disordered?		Is the *Final State* ordered or disordered?	
List the *Governing Processes* for the *Initial State*.		List the *Governing Processes* for the *Final State*.	

What happened during the *Transition*?	

Did the pattern(s) in the ordered state emerge spontaneously or did an agent create the order?

Briefly describe the *System*.	
List the system *Parts*.	

Is the *Initial State* ordered or disordered?		Is the *Final State* ordered or disordered?	
List the *Governing Processes* for the *Initial State*.		List the *Governing Processes* for the *Final State*.
